Backyard Media is growing! This is your chance to work for a locally owned company that believes strongly in local programming AND community involvement. Backyard Media owns 4 terrestrial stations, 1 internet station, the BackyardBend web/app platform, produces a large summer concert series, various events, video production, content creation and programmatic digital ad placement. We can literally do it all! Can you?

We have immediate openings for the new year. 2 full time positions (one is morning drive) in our programming department are up for grabs. What can you bring to enhance our already strong team? We're looking for people with...

- On-air experience (multi-format experience a plus)
- Strong social media skills
- Production/imaging creativity
- Friendly, non-ego, team player approach

Backyard Media is the most recognized media company in the region. KSJJ FM is the #1 station in the region; with powerhouse CHR KXIX FM following just behind at #2; KRXF FM has been the top voted station in the alt weekly for 15+ years; and we pride ourselves on top notch creative. We're a team of radio veterans, looking to bring along the next generation of talent in our market, connect to our listeners, and become an integral part of our team.
